Colour of the Year 2021
Cherish

Ivy League
7585

Nurturing, humble and fresh, **Ivy League 7585** restores that sense of balance which we dearly seek. A colour that's neither too warm nor cold, its mint green nudges growth while a hint of blue heals us and revitalises our mood. Ivy League brings our restless mind to a place of hope.

APEX ULTIMA

BOOK OF COLOURS

A SHADE GUIDE FOR EXTERIORS

At Asian Paints, we've made it our mission to provide you with nothing but the best products for exterior and interior surfaces. Products that transform your home to your pride and joy.

Dress your home in long-lasting sheen and shield it with superior protection, with Ultima, our premium range of exterior emulsions.

Travel across the length & breadth of India in the 2021 Ultima Book of Colour. We've selected these 100-plus colours keeping in mind the diversity of the many neighbourhoods of our motherland. Add to your home, a touch of sophistication with the textures of Asian Paints Createx.

Rain or shine, winter or spring, a home painted with Ultima's range of products is always the talk of the town. Come, reimagine your dreams with the Ultima Book of Colours.

How to navigate the Ultima Book of Colours.

Each section groups together the types of homes and colours typically found in a region. You can flip through it page-by-page or use our directory to skip over to that which interests you.

See a house that looks like your home? You can go straight to the page – the page number written at the bottom of each image. See a colour combination that has your heart? Well, flip to that page immediately and cement your choice.

Happy reading!

APEX ULTIMA PAINTS

APEX ULTIMA

A high performance water based exterior wall paint with silicone additives. Apex Ultima helps to kill the growth of algae and fungus, and retain the initial beauty of your walls. The Dirt Pick Up Resistance (DPUR) property of this exterior house paint fights dust from settling on the walls, helping them retain its beauty.

SYSTEM OF PAINTING

- 1** Clean the surface thoroughly using a wire brush and remove loose material from the surface
- 2** Surface imperfections such as holes, dents, fine cracks are to be filled with Asian Paints Wall Putty or a mixture of white cement & fine sand in the ratio of 1:3
- 3** For both fresh as well as re-painting of surfaces, apply one coat of Asian Paints Wall Primer by mixing primer and water in the ratio of 1:1
- 4** Apply 2-3 coats of Asian Paints Apex Ultima, by diluting the emulsion with the recommended amount of water. Keep an interval of 4-6 hours between two coats.

DISCLAIMER: Not applicable for Apex Tile Guard/Apex Stretch/Apex Duracast textures. For these products please refer to product literature.

PRE-PAINTING PREPARATION

- 1** Freshly plastered surfaces must be allowed to cure completely before painting.
- 2** Paint should not be applied on surfaces/ substrates which are subjected to continuous seepage or dampness.
- 3** Application of Exterior Wall Primer is mandatory for all surfaces. Not doing so can lead to failure of the paint film.
- 4** If the underlying surface exhibits chalkiness, in spite of thorough surface cleaning, use Asian Paints Exterior Sealer.
- 5** Dark shades in exterior emulsion will need at least 3 coats of application for proper hiding.
- 6** More absorbent surfaces may require two coats of primer.
- 7** Prices of products may vary depending on the colours chosen. Generally, dark and mid tone colours are more expensive compared to pastel colours.

TIPS FOR PAINTING

- 1** Insist on the recommended number of primer and top coats.*
- 2** Ensure coverage does not exceed more than 10% recommended figure.
- 3** Insist on 3 coats of paint on horizontal surface of exteriors*
- 4** Allow enough time for curing and drying.

**Special Precaution*
